### EXPERIENCE

#### RED VENTURES

##### Senior Frontend Developer 2021-Present

##### Frontend Developer – 2017-2021

- Led frontend team in planning, development and deployment of a new health education product. This resulted in acquiring 12,000+ new users in the first 2 months. (*React, Tailwind CSS, Next.js, RESTful API*)
- Led frontend A/B testing team in the development of new assets on Healthline articles. This resulted in approximately \$25,000/month increase in revenue. (*Javascript, HTML, Webpack, Node.js*)
- Worked on a team that engineered an online scheduling tool for a major healthcare provider in the Carolina's. The tool grew revenue an additional \$10 million/year. (*Vue.js, Vuex, RESTful API*)
- Assisted frontend team by maintaining and creating features on Healthline's social network, Bezzy. (*React, Redux, Typescript, Next.js*)
- Oversee the entire lifecycle of our features - including component design, implementation and roll-out.
- Created a new workflow for generating static landing pages for the business team. (*React, Next.js*)
- Implemented CI/CD workflow with CircleCI to eliminate manual deployments. This resulted in more reliable deployments.
- Implemented an efficient PR review process with "round robin" assigning to ensure quality code is released on time.
- Mentor junior engineers and onboard new engineers to my team.

#### CARBONHOUSE

##### Frontend Developer – 2016-2017

- Created an internal tool for clients to capture bugs on their websites. This helped the Carbonhouse team become more efficient and organized. (*Vue.js, Firebase*)
- Created responsive and accessible websites from custom designed Sketch files.
- Contributed in the creation a component/styles library for the consumer facing websites.
- Retrieved data from MySQL using PHP to populate relevant content for each page.

## TAG COMMUNICATIONS

### **Web Developer – 2014-2016**

- Transformed Photoshop designed websites into fully functional responsive websites from scratch. (*HTML, CSS, Expression Engine, PHP*)
- Skilled in cross-browser and cross-device compatibility testing.
- The team's expert developer for implementing WordPress blogs.
- Collaborated with Project Managers and Designers to execute brand standards.
- Provided Executive Vice President with time proposals for potential web clients.

## EDUCATION

Bachelor of Arts St. Ambrose University – Davenport, IA
